DIARY NOTES

25X1A

DD/S [REDACTED]

25 November 1960

1. I arranged with the Bureau of the Budget to have the Director's meeting with Mr. Stans at ten o'clock on Monday morning.

2. I spent considerable time discussing our budget situation with [REDACTED] and others in preparation for our meeting at the Bureau of the Budget on Monday. I am prepared to take some reduction in Security and some in Personnel if I have to. The major problem facing us, however, aside from the proposed personnel reduction, is in the DD/P area and Dick Bissell will be present Monday morning to defend his own program.

3. I spent a few minutes discussing with the Director and [REDACTED] a discussion I had with [REDACTED] at a cocktail party where I saw him on Saturday night. (See Memorandum for the Record.)

4. [REDACTED] telephoned to request that [REDACTED], a Logistics careerist now working in the Office of Communications, be assigned to his staff on a rotational basis. I told him that I would have to check with Jim Garrison but that it might be better since [REDACTED] was a Logistics careerist for him to transfer to the DD/P Career Service if he wished to make this move. (I talked to [REDACTED] about this and I am expecting a call from Jim Garrison when he returns [REDACTED])
